Commissioner for Patents

Sir:

**LETTER REQUESTING ACKNOWLEDGMENT OF RECEIPT OF CERTIFIED COPY
OF FOREIGN PRIORITY APPLICATION**

Applicant is in receipt of the Notice of Allowance and Notice of Allowability dated June 14, 2010.

Applicant has claimed priority based on European Patent Application No. 99109154.7 filed on May 10, 1999. The certified copy of the European Patent application was filed in the U.S. Patent and Trademark Office on November 9, 2001. The Examiner has not acknowledged the receipt of the certified copy of the European priority document.

We have attached a copy of the postcard date stamped by OIPE on November 9, 2001 and a copy of the Transmittal of New Application retrieved from PAIR at the U.S.

Patent and Trademark Office website which has been date-stamped by the Office. The date-stamped postcard and the date-stamped transmittal letter corroborate that a certified copy of the European Patent Application was indeed filed in the patent application on November 9, 2001.

The Examiner is respectfully requested to issue a Supplemental Notice of Allowability (PTOL-37) acknowledging receipt the certified copy.

As clearly shown by the record, this oversight occurred through the fault of the Patent Office. Accordingly, we request that the Patent Office provide Acknowledgement without loss of any Patent Term Adjustment as a result of filing this Letter Requesting Acknowledgement of Receipt of Certified Copy of Foreign Priority Application and that the Patent Term Adjustment of 75 days remain unchanged.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
